- Motion by Roy Reinke, second by Steve Schulz to approve the minutes of the 4/13/20 meeting. Motion carried.

Reports:

- **Sewer** – The bearing that went out of pump is being repaired. The Pit Stop had to clear sand out of the carwash; all debris was power washed to the road. They and County Garage should pay a higher rate. Sand gets in the sewer and it has to be cleaned out – a better effort should be made, but if not, should be charged more. Letter to be sent to clean it out and put it in a trash receptacle and not out to the street.
- **Streets** – Culverts put in on Main St./Third Street corner this week
- **Fire Department** – Checking in to charging Stand By Fees for windmill properties
- **Marina** – Half or more are rented at this time. Expecting it to be a good year. Dan Koglin hauled rock in; some should go into the north end.

Old Business:

- **Pay Bills** – Motion by Jim Hunter, seconded by Chris Gust to approve bills of \$60,909.57 for May and \$17,344.11 for June. Motion carried.

New Business:

- **Darleen Ferensic's Retirement** – Should her years of service be recognized – no letter of resignation has been received yet.

Communications/Correspondence/Public Comments:

- Don Goetze reported on zoning issues.

Adjournment:

- Motion by Chris Gust, second by Roy Reinke to adjourn. Motion carried.
